Provision of software implementation services on Cyta's Middleware and Integration systems, which are based on Oracle's Fusion Middleware.

The successful Tenderer shall provide Cyta with a total number of 250 man days of software implementation services in a time and material model within a period of two (2) years.

The services shall cover the whole spectrum of development within Oracle SOA Suite including the following components

- Oracle BPEL Process Manager
- Mediator (formerly known as Oracle Enterprise Service Bus)
- Human Tasks
- Oracle Service Bus (OSB - formerly known as Aqualogic Service Bus)

Such services shall include, but shall not be limited to, systems analysis, design, development, testing and support for moderately complex system components.

9. TENDER AWARD

Cyta shall award the complete Tender to one Tenderer.

10. DELIVERY AND PAYMENT

Works shall be scoped and agreed as individual sub-projects. For each sub-project the total units of work (i.e. man-days), timelines and acceptance tests shall be agreed prior to its commencement, between Cyta and the Tenderer.

The requested services shall be delivered either on site at Cyta's Headquarters in Nicosia or remotely from the Cyta Hellas premises in Athens or over a secure VPN connection from Tenderer's offices, according to Cyta's security policies.

Payment shall be effected in cash within 45 days from the receipt of a correct invoice which shall be issued on the completion and acceptance of the relevant agreed deliverables per sub-project.
